I. D. 's:

We're having a ball with them... we just need more! Please help us out and record your standard station I. D. and a couple of variations (throw in some corny stuff, touristy material, your name, anything... on the variations) and send it to us. Should be on $\frac{1}{4}$ " tape, full or half track mono, $7\frac{1}{2}$ IPS. Be sure to mention the state (or country) you're in as well as the town or city. Please, no music under the I. D. 's, and be sure to send us one straight I. D.

Send the tapes, in boxes as well as envelopes to:

Elvis:

In 1971 Watermark produced and distributed a 12 hour documentary called "The Elvis Presley Story". It was a tremendous success for us and the stations who carried it and the audience loved it. We are now in the process of completely updating and expanding the special for an early 1975 release. There will be plenty of new material on Elvis' career since 1971 as well as total coverage of just about everything that's happened to him since East Tupelo, Mississippi, 1935. 80 interviews, rare tapes, 160 hits, the writing of Elvis' top biographer, Jerry Hopkins and production by Ron Jacobs will make "The Elvis Presley Story----1975 Edition" an extremely valuable and prestigious feature.

Last time, we optioned Watermark subscribers, something we won't be able to arrange in 1975 due to the increased flow of product. But we can let you know about it first. If you're interested in beating the competition to the punch on this 13 hour radio documentary on the life of Elvis Presley, call me collect, and we'll set it up.

Holiday Specials:

Program numbers C744-12 and 13 comprise "The Top 100 Country Hits of 1974". In program #12 Bowman counts down #'s 100 through 51; in #13 he covers #'s 50 through 1. We're advising stations that they may repeat both of these shows, delay #12 for one week and combine it with #13 for a total of 6 hours of ACC programming on the weekend of December 28, or just about any schedule variations that will enable you to get the most out of "The Top 100". In other words, all the usual playdate and repeat restrictions are off for the specials.

Both shows will be mailed on Saturday, December 14 to beat the Christmas rush. That means that no show will be shipped on December 21. Regular shipments resume with program #C751-1 on December 28.
