RE: PROMOS FOR UPCOMING SPECIAL

September 13, 1975

Included at the end of side 1B of this week's program (C753-12) there are three promos for the upcoming AMERICAN COUNTRY COUNTDOWN special entitled "The Forty Greatest Flip Sides in Country Music" scheduled for broadcast the weekend of October 4-5, 1975 (program #C754-1).

Due to side length, we could only include three of the four promos in this week's program. At the end of one of the sides of next week's program (C753-13), there will be another promo to be used on the day that the special is broadcast. Be sure to check next week's cue sheet for its exact location.

Below is the copy for all four promos:

1. "Hey, this is Don Bowman reminding you not to forget our next American Country Countdown special comin' up in just two weeks. We'll be spotlighting forty of the biggest "B" sides or back sides of what were even bigger hits. That's our next American Country Countdown special in just two weeks. The hits that were on the back of other hits."
2. "Hey, this is Don Bowman reminding you not to forget our next American Country Countdown special comin' up in just one week. We'll be spotlighting forty of the biggest "B" sides or back sides of what were even bigger hits. That's our next American Country Countdown special in just one week. The hits that were on the back of other hits."
3. "Hey, this is Don Bowman reminding you not to forget our next American Country Countdown special comin' up tomorrow. We'll be spotlighting forty of the biggest "B" sides or back sides of what were even bigger hits. That's our next American Country Countdown special tomorrow. The hits that were on the back of other hits."
