

TO: ACC Subscribing Stations FROM: Tom Rounds RE: Top 100 Specials November 28, 1977

The American Country Countdown "Top 100 Country Hits of 1977" specials are looming up. What follows is promo, shipping and scheduling info:

Shipping: Programs C774-12, C774-13 and C781-1 will all be shipped the same day: Saturday, December 10. If you have a late or damaged shipment to report, please do it as early as possible to help us beat the Christmas rush. C781-2 will be shipped on Saturday, December 31.

Scheduling: C774-12 is a regular countdown, scheduled for broadcast on most stations the weekend of December 17, 1977. Shows 10, 11 and 12 will liberally promote the upcoming year end specials. C774-13 is the first half of "The Top 100 Country Hits of 1977". It will include #s 100-51 in a special three hour edition. Regular air date for C774-13 is the weekend of December 24-25, 1977, but many stations traditionally postpone the first half of the Top 100 until New Years weekend when they combine it with C781-1. Regular air date for C781-1 is New Years weekend, December 31-January 1. This three hour program covers #s 50-1 for the year.

In any case, all normal scheduling restrictions are off, and you may want to rerun the whole works for two 6 hour plays at your holiday scheduling convenience.

<u>Promos</u> for the year end specials will be included on C774-12 program discs <u>next week</u>, so remember to dub 'em off while they're still at hand. Promos should begin on air 10 days before the event. Copy for the promos will be included with C774-12. Copy is <u>non-specific</u> as to air date, so you'll have to tag with your specific broadcast info.

Best wishes for a great Christmas and all of 1978 from all the Watermark staff.
