RE: ACC Commercials and Billboards

Starting with this week's show, program number C843-1, airing July 7-8, 1984, we're changing the way American Country Countdown is distributed. The program discs your station receives will contain commercials and commercial billboards. The procedure for getting around the commercials and billboards is as follows:

- 1) Opening Dry Voice Commercial Billboard - Located at the top of hour one, before the opening theme music. We have allotted space between the commercial billboard and theme music to cue record to start theme.
- 2) Inserting Local Commercials - Procedure is basically the same as before. "My Kind of Country, My Kind of Music" jingle is the out cue for the segment. The commercials on the disc are attached to the decay of the jingle. Your board operator simply starts his cart machine before the jingle decay, pots down the record, then cues record to the spread which is the "American Country Countdown" jingle to start the next segment.
- 3) Closing Billboard - Located over music, 4 seconds after Bob Kingsley's regular program close at the end of hour three. Included on Side 3A is a copy of the closing theme with no voice over to replace the closing theme on the disc. Please dub this off for future use.

New cue sheets are included in your show listing commercials and lengths.

If you have any questions, please feel free to call.

RE: ACC THEME MUSIC

WE'VE RECENTLY HAD MANY REQUESTS FOR COPIES OF THE AMERICAN COUNTRY COUNTDOWN THEME MUSIC FOR BUILDING ACC PROMOS. TO MAKE THE THEME AVAILABLE TO EVERYONE, WE'VE INCLUDED A COPY OF ONE OF THE ACC THEMES ON THIS WEEK'S PROGRAM DISC. THE THEME IS SIXTY SECONDS LONG AND IS LOCATED AT THE END OF SIDE 2B. PLEASE DUB IT OFF FOR FUTURE USE.
