RE: NEW ACC THEMES AND LOGOS

We'd like to direct your attention this week to the latest addition to AMERICAN COUNTRY COUNTDOWN. . .our new themes and logos (otherwise referred to as jingles, I.D.s, original music, etc.). We wanted to update the good collection of split logos and themes that have been in use for the past two years, and we wanted the new package to sound strong, positive, clean, straight-ahead and assertive. So with the guidance of Jon Wolfert and the staff at Jam Productions in Dallas, we defined the project, selected the players and singers, went into the studio, and, we're proud to say, came out with a sound that we think gives the show a tremendous shot in the arm.

We're sure you'll agree, and we're always open to your comments. We hope to be hearing from you, and we hope you'll enjoy our new "MY KIND OF COUNTRY, MY KIND OF MUSIC" package...starting this week!
