1) CRY CAUSES CRYSTAL NO CRYING (:23)

Hi, this is Bob Kingsley with American Country Countdown and last week the song called "CRY", gave Crystal Gayle reason to do anything but cry as it moved up a notch on our survey to become Crystal's 15th number one hit. Now, who'll have the number one song on Billboard's Country Chart this week is the question and you'll find out the answer right here on American Country Countdown!

2) EXILE GOING FOR EIGHT FOR EIGHT (:28)

Hi, this is Bob Kingsley with American Country Countdown where you find the official survey of the top country songs in America. Last week the group Exile moved into the number two spot with their eighth top ten song called "IT'LL BE ME". Now will Exile move into the number one spot this week...well if history is a lesson it looks good...because every Exile song to hit the top ten has gone to number one. Find out for sure this week on American Country Countdown.

3) SWEETHEARTS SWEEP INTO TOP TEN (:28)

Hi, I'm Bob Kingsley with American Country Countdown. And, one of the acts to watch last week was the duo called the Sweethearts of the Rodeo. Now, just two years ago, this sister duo had all but given up on the music business, but last week they watched their second chart record called, "SINCE I FOUND YOU", move up five notches to #7 to become their very first top ten country hit. Find out how the Sweethearts and all your favorite singers and songs are doing this week on American Country Countdown.
