1) TRAVIS STAYS ON TOP (:28)

Hi, my name's Bob Kingsley and last week on American Country Countdown Randy Travis became the first artist in nearly seven years to stay at #1 for three weeks in a row. Now, Randy hopes his song "FOREVER AND EVER, AMEN" keeps him on top forever... but to stay there for at least another week he's gonna have to fight off strong records from Earl Thomas Conley and George Strait. Find out who tops Billboard Magazine's Country Chart this week on American Country Countdown!

2) E.T.C. CLOSEST ONE TO TOP (:27)

Hi, I'm Bob Kingsley with American Country Countdown...and last week Earl Thomas Conley's song "THAT WAS A CLOSE ONE" moved Earl as close to the top as you can get without being there when it slipped into position #2. If Earl moves into the top spot this week that'll give him a lucky 13 Number One songs on Billboard's Country Chart. To do it Earl's gonna have to move Randy Travis out of #1 and fight off George Strait this week on American Country Countdown!

3) SWEETHEARTS SONG TO WATCH (:27)

Hello, I'm Bob Kingsley and last week on American Country Countdown a song to watch was called "CHAINS OF GOLD" at #4 for the Sweethearts of the Rodeo. Now, it's the duo's third top ten song and Janis Gill and Kristine Arnold are hoping their career has got enough momentum now to take this one all the way to the top. The competition is, as we all know, toughest at the top...so check out the Sweethearts' progress in the top five zone this week on American Country Countdown!

4) FOUR MORE TO THE FUN OF THE FORTY (:29)

Hi, this is Bob Kingsley with American Country Countdown...last week four new songs made their way into the fun and suspense of our countdown of the forty hottest country tunes. "WHY I DON'T KNOW" came in at #40 for Lyle Lovett, "THIS CRAZY LOVE" was in at 39 for The Oaks while "I'LL NEVER BE IN LOVE AGAIN" put Don Williams at #38 and debuting highest at #34 was "SHE'S TOO GOOD TO BE TRUE" by Exile. Check out how these and all of your favorites are doing this week on American Country Countdown!
