- 1) LONG LINE GIVES MURPHEY LONGER LIST OF #1s. (:23)
Hi, I'm Bob Kingsley...and last week on American Country Countdown the song called "A LONG LINE OF LOVE" gave Michael Martin Murphey his second number one. Now, since it's just Michael's second turn at the top he'd like to hang in there a while. But, he's gonna have to hold off at least two groups Restless Heart and Highway 101 to do it again, this week on American Country Countdown.
- 2) HALF OF TOP TEN GROUP EFFORTS (:30)
Hello, I'm Bob Kingsley with American Country Countdown...and last week in our survey of Billboard magazine's hot top forty country hits, there was a whole crowd of people in the top ten. Now, that's because half of the top ten songs were by group efforts...including the trio of Parton, Ronstadt and Harris, the Kenny Rogers/Ronnie Milsap duet, plus the groups Exile, Highway 101 and Restless Heart. Find out who makes it through the crowd and goes the distance to #1 this week on American Country Countdown.
- 3) BUMPER CROP OF DEBUTS BY HOT SINGERS (:31)
Hi, this is Bob Kingsley and last week on American Country Countdown the bumper crop of five debut songs were by some of country's hottest acts. Tanya Tucker debuted at #40, Juice Newton popped in at #39, at #37 you had Earl Thomas Conley and at #36 Eddy Raven. Now, debuting highest for the week at #34 was Dwight Yoakam. Now, that is some of country music's best who'll be doing their best to rise even higher in the forty this week on American Country Countdown.
- 4) KATHY MATTEA SONG TO WATCH (:31)
Hi, I'm Bob Kingsley with American Country Countdown...and one of the things I enjoy most about the job as we count 'em down each week is to watch the growth of hot young stars like Kathy Mattea, now Kathy was at #7 last week with "TRAIN OF MEMORIES." Now, that's Kathy's fourth top ten hit and she's hoping that will go all the way to become her first number one hit. Check in to see how Kathy Mattea and all your favorite singers and songs are doing in Billboard's top forty this week on American Country Countdown.
