TOPICAL PROMOS

TOPICAL PROMOS FOR SHOW #881-12 ARE LOCATED AT THE END OF SIDE 4A

DO NOT USE AFTER SHOW #881-12

1) TRAVIS PLEADS FIFTH AT #1 (:25)

Hi, this is Bob Kingsley, and last week on American Country Countdown, Randy Travis took the fifth...that is he plead guilty to scoring his fifth #1 song on Billboard Magazine's Country Chart with "TOO GONE TOO LONG." Now, Randy has proven he has the potential to hang on to the top spot for several weeks, so check in to see just who is sitting on top of the world of country music this week on American Country Countdown.

2) TWO TOP SONG CONTENDERS HAVE IDENTICAL TOP TEN RECORDS (:26)

I'm Bob Kingsley with American Country Countdown, and last week two acts with identical track records in the top ten were neck and neck in the race to the top of our survey. The group Sawyer Brown and Ricky Van Shelton both have 3 top tens and a #1 song to their credit. Now, with Sawyer Brown at #2 and Ricky at #3, either act has got a chance to rack up their second national #1 hit this week on American Country Countdown.

3) MCCARTERS ACT TO WATCH (:24)

I'm Bob Kingsley with American Country Countdown, and last week the act to watch had the #17 song on our survey. They're a new sister trio called the McCarters. And everybody's paying attention to the fact that the McCarter's very first chart record ever has climbed more than half way up the top forty. Check up on the progress of these talented newcomers and all your very favorite stars this week on American Country Countdown.

4) DEBUTS INCLUDE A GROUP, A GUY, A DUO, AND LORETTA LYNN'S COUSIN (:27)

I'm Bob Kingsley, and last week on American Country Countdown, the debut songs were by a group, a guy, a duo, and Loretta Lynn's cousin. The group is the Shooters; the guy, Tim Malchak; the duo, Gary Morris and Crystal Gayle; and the girl that Loretta claims is a distant cousin is a newcomer, Patty Loveless. They've all added spice to the top 40 and should still be in the recipe as we count 'em down to the #1 song this week on American Country Countdown.
