TOPICAL PROMOS

ACC TOPICAL PROMOS FOR SHOW #883-3 ARE LOCATED AT THE END OF SIDE 4A
DO NOT USE AFTER 7/17/88

1. C883-3/A ALABAMA 's NEW STRING OF #1s (:24)

Hi, this is Bob Kingsley with American Country Countdown, and last year, Alabama's record-setting string of consecutive number one hits ended at 21 number ones in-a-row. Well, now Alabama is working on a new string as of last week, they scored their second consecutive number one hit. How far will they go this time? Check in on Alabama and all of your favorite acts each week on American Country Countdown.

2. C883-3/B ROSANNE HOPING 'IF YOU CHANGE' CHANGES #1 STATS (:23)

I'm Bob Kingsley...and this week on American Country Countdown Rosanne Cash is hoping her song "If You Change Your Mind" can change her number one total and increase it by one. Rosanne has 7 top songs now and wants her 8th. Find out if she gets it...plus check out the movement of all your favorite singers and songs through Billboard Magazine's Country Top Forty this week on American Country Countdown.

3. C883-3/C CONTROVERSIAL DEBUT (:24)

I'm Bob Kingsley...and last week a controversial song debuted into our countdown. It's Hank Williams Jr.'s tongue-in-cheek look at America if the south had won the civil war called, "If The South Woulda Won". Some people took it seriously and don't like it, Hank's core of rowdy fans of course love it...well, you can find out if more liked it than not when you watch Hank's progress in our survey this week on American Country Countdown.

4. C883-3/D OLD TRADITIONALIST MAKING WAVES AT TOP (:28)

I'm Bob Kingsley and the song to watch this week on American Country Countdown is "Set'em Up Joe" by Vern Gosdin, Vern was at #3 last week showing that older established singers of traditional country music can hold their own in a world dominated by younger "new" traditionalist singers...What's more, he did it with a tribute to an "original" traditional country singer, Ernest Tubb. Follow Vern's progress and all the action in the Top Forty this week on American Country Countdown.
