1. GROUP OF DEBUTS DOMINATED BY GROUPS :25

Hi, I'm Bob Kingsley with American Country Countdown. And, last week the group of four debut songs was nearly all group efforts. The acts entering new songs into the countdown were the Statlers, The Forester Sisters, and Alabama...along with the current hit from Randy Travis. Their songs are all strong contenders to move higher into the thick of the action as we count down the forty biggest country hits again this week on American Country Countdown.

2. FROM A JACK TO KING TO CROWN HEAD OF COUNTRY :26

Hi, this is Bob Kingsley with American Country Countdown...and last week, the song "From A Jack To A King" turned Ricky Van Shelton into the crown head of the Billboard Country Chart. That song became Ricky's fifth number one hit further elevating him as one of the hottest acts of the 1980's. Now, coming on strong right behind him are Reba McEntire and George Strait who'll take dead aim at the top spot this week on American Country Countdown.

3. TWO NEWCOMER ACTS BUBBLING UNDER :26

Hello, I'm Bob Kingsley with American Country Countdown, and this week it looks like four more new songs could climb into the survey including tunes from two newcomers who're each looking for their first top forty hit. Watch for Clint Black and Lionel Cartwright who are trying to jump in...along with the latest from proven hit makers Dwight Yoakam and Steve Wariner. See if they make it and see who has the number one hit in the land this week on American Country Countdown.

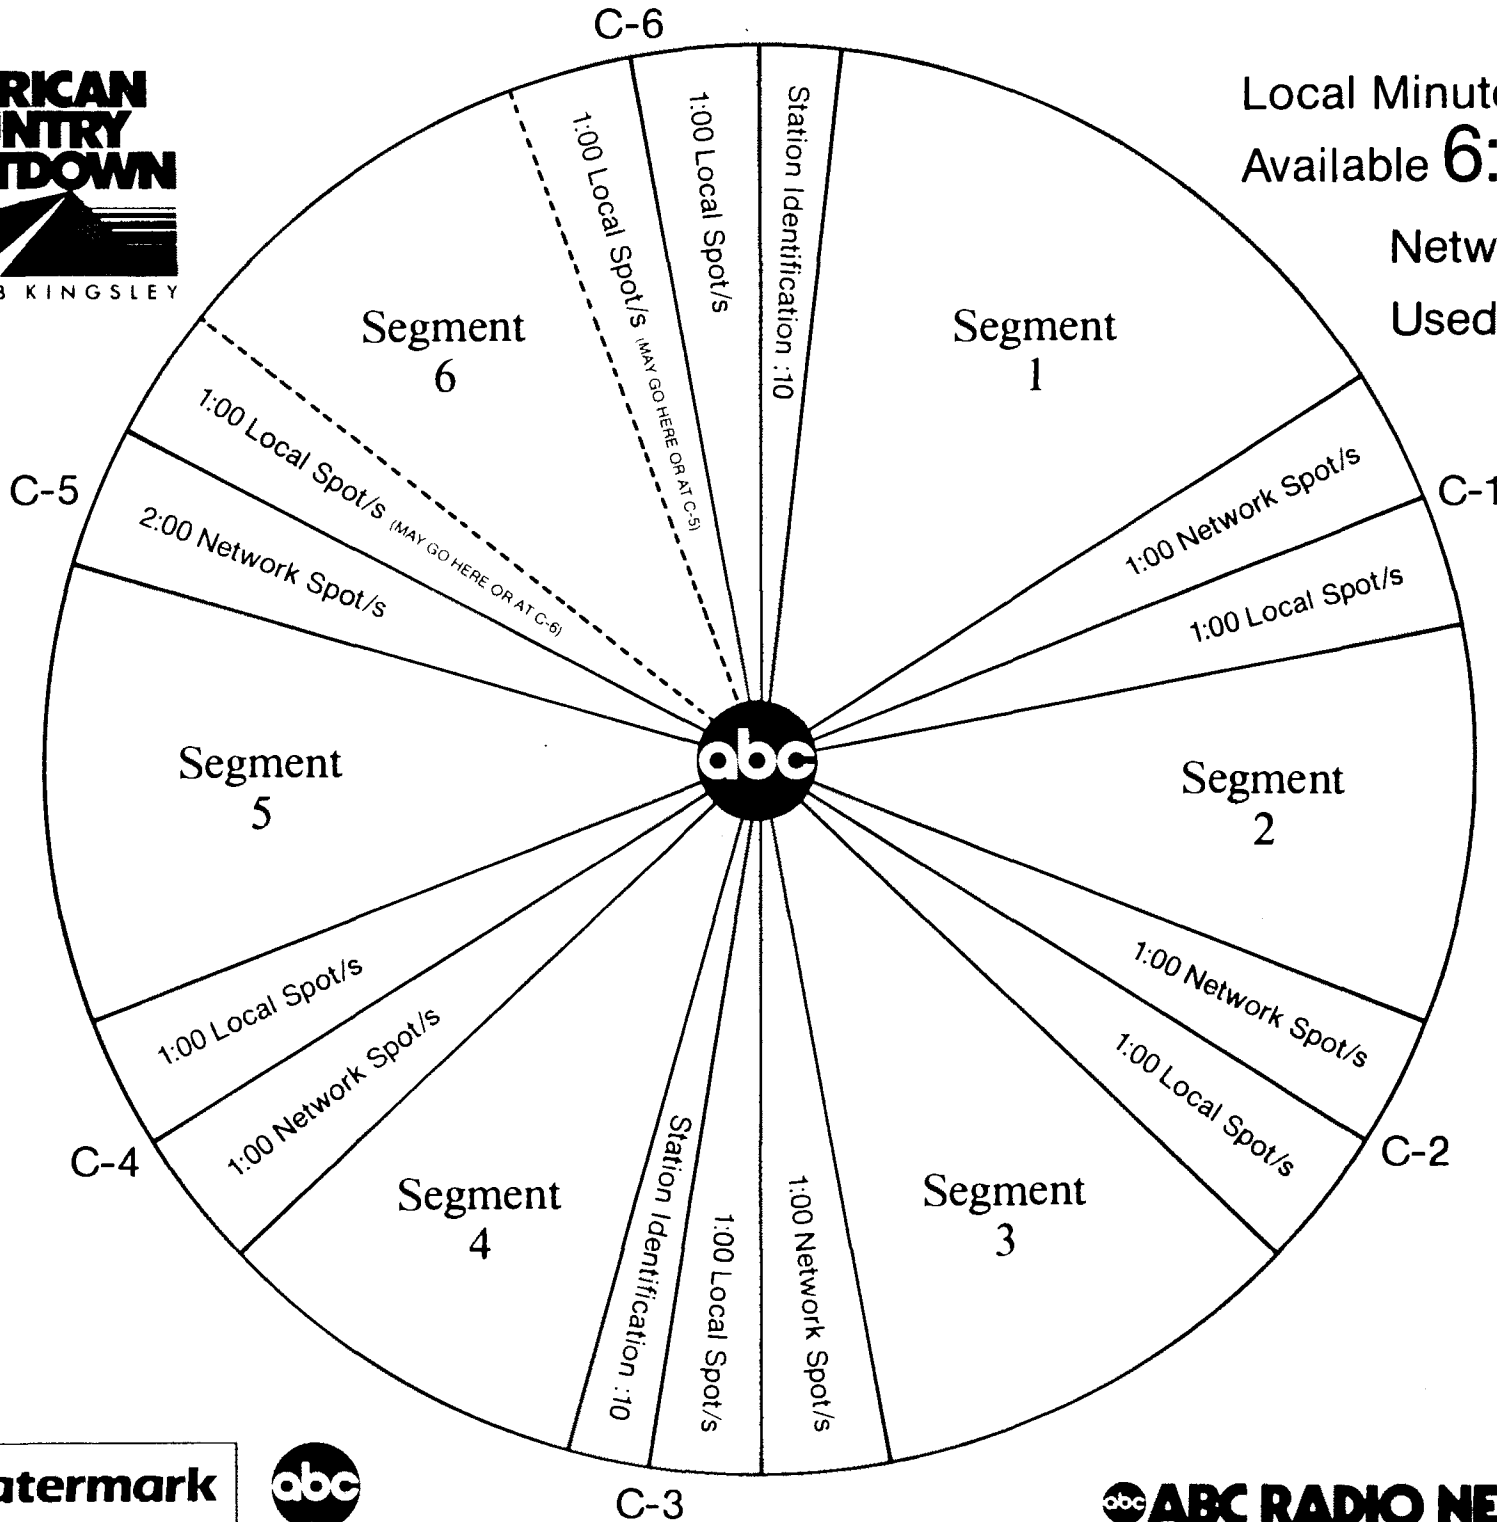

4. GEORGE JONES 100TH STILL COMING :28

I'm Bob Kingsley and this week on American Country Countdown the song to watch is "I'm A One Woman Man" by George Jones. You see that song is George's milestone 100th solo chart tune, and it's currently climbing to the top ten of our survey up to #6 last week. Now it would be a fitting tribute if this special song could make it all the way to the top. Find out how George is doing and check in on all your favorite singers and songs this week on American Country Countdown.
