1. LOVELESS LOVES FIRST #1 :25

Hi, this is Bob Kingsley with American Country Countdown...and no singer ever forgets their first number one hit on the Billboard country chart...so Patty Loveless will always remember "Timber I'm Falling In Love" which became her very first top song last week. Interestingly, in the top five there are three other acts, Holly Dunn, Billy Joe Royal, and Southern Pacific who'll be trying for their first top song this week on American Country Countdown.

2. SHENANDOAH HUNGRY FOR #1 NUMBER TWO :25

I'm Bob Kingsley for American Country Countdown. And you know, 1989 has already been the best year yet for the group Shenandoah who scored their first number one hit their last time on our survey. But, they're out to make '89 even better. That is, if their current hit "Sunday In The South" can ease up a notch to give them their second top song. Find out if Shenandoah can top our survey again and check out all the action this week on American Country Countdown.

3. THE COUNTDOWN REVEALS THE FOLLOWING :30

I'm Bob Kingsley, and if you spend some time with us this week on American Country Countdown, the following shall be revealed to you. By the time we've counted from #40 to #1 you'll know if George Strait and Alabama debut new ones into the survey...you'll find out how the Buck Owens-Ringo Starr and John Denver-Nitty Gritty Dirt Band duets are doing, and you'll know if the number one spot in the nation is captured by Holly Dunn, or Shenandoah, or somebody else. All this and much more is waiting this week on American Country Countdown.
