1. **WHITLEY SAGA GOES ON WITHOUT HIM** :29

Hi, I'm Bob Kingsley...and last week the song at #1 on American Country Countdown meant that the memory of Keith Whitley would not soon fade. The title song and first single from his new album called "I Wonder Do You Think Of Me" moved up a notch to become his fourth number 1 hit. And while the story of Keith Whitley rolls on...the legend of Willie Nelson could roll into the top spot this week. Willie's in search of his 20th number 1 hit overall and you'll find out if he makes it this week on American Country Countdown.

2. **BAILLIE AND THE BOYS FIFTH TOP TEN** :26

I'm Bob Kingsley and the song to watch this week on American Country Countdown is "(I Wish I Had A) Heart Of Stone" by Baillie and The Boys. It moved up last week to become their fifth top ten hit...and this time Kathy Baillie and The Boys are hoping to move even closer to their first number one song. Follow their progress in the top ten, and follow our process of counting the biggest hits in country music from #40 to the one most popular song in America this week on American Country Countdown.

3. **DEBUTS INCLUDE BIGGEST NAMES IN COUNTRY MUSIC** :28

This is Bob Kingsley and last week the five debut songs into our American Country Countdown survey of the top country hits in America included songs by some of the biggest stars in country music. Coming on board were the latest from Ricky Skaggs, George Jones, and Dolly Parton. Riding in with their songs were new ones from rising artists Becky Hobbs and Daniele Alexander. They've all added plenty of spice to our countdown of the biggest hits in country music which will begin again this week on American Country Countdown, so check it out!"

4. **CATCH A.C.C. AND YOU'LL KNOW WHAT'S GOIN' ON IN COUNTRY** :29

Hi, this is Bob Kingsley...and if you want to know what's been happening in the world of country music this week, check into American Country Countdown. When the survey begins to roll you'll find out if Sawyer Brown and Reba McEntire debut new songs...you'll discover if the latest from the Desert Rose Band and Hank Jr. ascend to the ranks of the top ten...and you'll be the first on your block to hear whether Willie Nelson takes the top spot or if Rodney Crowell scores his fifth number one hit in a row. All the action is coming this week on American Country Countdown.
