1. CLINT KILLS 'EM WITH KILLIN' TIME :35

Hi, I'm Bob Kingsley and last week on American Country Countdown the song "Killin' Time" proved that Clint Black has become a real chart killer. It's only his 2nd chart record and it hit #1 last week, so that's 2 chart singles ... 2 number one's and Clint is on a roll! Now just below Clint Black on the chart are Ricky Van Shelton and Alabama. Ricky's been on a roll too with 5 number one hits behind him. And Alabama, of course, haven't been too shabby themselves with their 25 number one hits. So check in and see who captures that #1 spot this week ... on American Country Countdown.

2. ALABAMA ACT TO WATCH :24

This is Bob Kingsley and the act to watch this week on American Country Countdown is Alabama. You see, last week their 27th consecutive top ten hit moved up to #3 within striking distance of becoming their 26th #1 song. Find out if their song "High Cotton" puts them in the highest spot in the nation and follow all your favorite singers and songs this week on American Country Countdown.

3. 4 CMA WINNERS IN TOP 5 :27

Hi, I'm Bob Kingsley with American Country Countdown ... and no less than 4 of this year's Country Music Association Award winners are currently in the top 10 of our survey ... including Horizon Award winner Clint Black, Male Vocalist Ricky Van Shelton, Female Vocalist Kathy Mattea and Entertainer of the Year George Strait. Of course, they're just 4 out of the 40 hottest acts we'll be counting down to #1 this week on American Country Countdown.

4. 5 DEBUTS :26

This is Bob Kingsley on American Country Countdown and last week a gaggle of 5 songs debuted into our top 40 survey of Billboard magazine's biggest country hits. They include the latest from Dwight Yoakam, Highway 101, Vince Gill, Billy Joe Royal and Glen Campbell. They've added new fire to our survey of Country's hottest hits and all should be back in the action when we start the countdown to #1 this week on American Country Countdown.
