1. ALABAMA SCORES DOUBLE BAKER'S DOZEN AT #1 :31

Hi, I'm Bob Kingsley with American Country Countdown and if a baker's dozen is 13 ... then the group Alabama now has a double baker's dozen of #1 country hits. That's because last week their song called "High Cotton" moved up a notch to become their 26th chart topping song - further proof that Alabama's the most successful country act of the decade. Well, when we start the count again there'll be 39 other acts trying to become the most successful act of the week ... as all eyes will be on the prize at number one this week on American Country Countdown.

2. GEORGE STRAIT ENTERTAINER OF THE WEEK? :34

I'm Bob Kingsley with American Country Countdown and you know George Strait recently became the Country Music Association's Entertainer of the Year. So with that in his pocket do you figure he really cares if his song called "Ace in the Hole" moves up to number one making him Entertainer of the Week? Well, you bet he does because it's the 17th number one hit he's already scored that helped him take the CMA's top honors and he's not about to rest on his laurels. So you can be sure George'll have his eye on the top spot this week when we again count down the Nation's 40 biggest country hits on American Country Countdown.

3. KEITH WHITLEY'S SECOND POSTHUMOUS TOP FORTY TUNE :30

Hi, I'm Bob Kingsley and the song to watch this week on American Country Countdown is the tune called "It Ain't Nothin." It debuted last week becoming the second top forty hit by Keith Whitley from the album he recorded just before his death last May. Keith's new one came in along with the current songs from the Charlie Daniels Band and a new band called Zaca Creek ... and by the time the Countdown rolls again this week they should all be good soldiers in the battle to move up Billboard's country chart toward #1 right here on American Country Countdown.

4. DO YOU KNOW WHERE YOUR FAVORITE SINGERS AND SONGS ARE :32

This is Bob Kingsley ... it's nearly time for the next countdown and do you know where your favorite songs are? Well where they are right now is out there among America's country radio stations trying to get as much airplay as possible. And, Billboard Magazine is surveying radio stations from coast to coast so they can rank the most listened to country songs of the week. When they're done we'll bring you the official results and count down the forty biggest hits in the land and tell you who among the biggest stars in the world of country music is singing 'em this week on American Country Countdown.
