1. A STRAIT ACES WITH "ACE IN THE HOLE" :29

I'm Bob Kingsley with American Country Countdown ... and last week the song called "Ace In The Hole" gave George Strait another "ace" at the top of the Billboard country chart. It became George's 18th number one hit since he first hit our survey back in 1981. That's one of the reasons George is the hottest out of the 20 acts currently on the countdown who began their chart careers during the '80s. Those 20 stars and 20 more will all be back in the action when we begin the count again this week on American Country Countdown.

2. KATHY MATTEA LOOKING FOR GREAT FALL SEASON :27

I'm Bob Kingsley and this week on American Country Countdown Kathy Mattea is hoping to round out her best Autumn yet. You see, in October Kathy was awarded the Country Music Association's Female Vocalist of the Year trophy. And, nothing would cap this Fall season off better than for her song "Burnin' Old Memories" to hit number one in the Nation. Well, it's just one notch away from the top, so see how Kathy's doing while you follow all your favorite singers and songs this week on American Country Countdown.

3. TWO OF COUNTRY'S HOTTEST NEWCOMERS CLOSE IN ON TOP TEN:32

Hi, this is Bob Kingsley with American Country Countdown...and on this week's survey two of country music's most promising young stars are closing in on the top ten of our survey. The darling of D.C., Washington's Mary Chapin Carpenter, is hoping to slide up and grab her first piece of top ten turf with her song called "Never Had It So Good" ... while Garth Brooks is hoping for his second sample of the sacred soil of the ten hottest songs with his offering called "If Tomorrow Never Comes". Find out if the top ten comes to both these performers this week on American Country Countdown.

4. TOP DEBUT TALENT :24

I'm Bob Kingsley and with American Country Countdown ... and if we could've special ordered the four debut songs into last week's survey we could've hardly picked a more stellar group of performers to sing them. Debuting their latest were The Nitty Gritty Dirt Band, Skip Ewing, Willie Nelson and Rodney Crowell. And we'll find out if their latest is good enough to move higher among the forty hottest country songs in America this week as we count 'em down again on American Country Countdown.
