1. DOLLY WAKES UP AND SMELLS ROSES AT #1 :28

Hi, I'm Bob Kingsley and last week on American Country Countdown Dolly Parton made it a point to stop and smell the roses ... because they were her roses and they were sitting at #1 in the Nation! It was the sweet smell of success once again for Dolly as her song called "Yellow Roses" became her 23rd number one Country hit overall. And out of all the singers turning out records in Country music, we count down just the forty biggest hits each week here on American country Countdown.

2. JUST A MATTER OF TIME BEFORE TRAVIS HITS #1 :27

I'm Bob Kingsley and you know it may be just a matter of time before Randy Travis scores his 10th #1 hit on American Country Countdown ... that's because his song called "Just A Matter Of Time" is just one notch away from our top spot. Find out if Randy can bring it on home and check in on the progress of your favorite hits and the stars who sing them as we begin the count at #40 and don't stop until we've reached that #1 song this week on American Country Countdown.

3. BLACK HAS SONG TO WATCH :30

Hi, I'm Bob Kingsley with American Country Countdown ... and last week the song to watch among the Billboard Country Top Forty was one of the debut songs. It's called "Nobody's Home" by Clint Black. Now Clint is hoping this song does as well as his very first two Country chart records, "Better Man" and "Killin' Time". Both of those went all the way to #1 in the Nation ... and Clint Black's hoping history repeats itself with chart song #3. Find out how that song is doing and follow all the action of the survey this week on American Country Countdown.

4. BILLBOARD MAGAZINE LISTENS TO YOUR FAVORITES :28

Hi, I'm Bob Kingsley and you know when radio stations around the U.S.A. play your favorite records, somebody besides the fans is listening to see which songs are played the most ... Billboard Magazine ... and when they've calculated the most popular records in Country music, we bring you the official countdown of the forty top songs in America ... including the debuts, the top tens and the song that breaks out on top at #1. Check it out this week on American Country Countdown.
