1. TRAVIS LANDS MILESTONE 10TH NUMBER ONE HIT :29

Hi, this is Bob Kingsley with American Country Countdown ... where last week Randy Travis scored a career milestone with his hit called "It's Just A Matter Of Time." That song moved up a notch taking Randy into double digits in the #1 category as he chalked up top song number 10. And when you think about it, every song in our survey represents a new page in the musical history for the act who sings it. So check into our weekly history lesson to see how the world of Country music is shaping up this week on American Country Countdown.

2. NEW GUARD ASSERTS ITSELF IN TOP FIVE :31

I'm Bob Kingsley and currently on our American Country Countdown survey of Country music's 40 biggest hits ... a new guard of Country performers is asserting itself in the top five. Two acts that have come on strong in the last year or so are vying for the top spot this week. Shenandoah's current hit is at #3, just 2 away from becoming their 3rd #1 hit ... while Garth Brooks is at #2, just a notch from his first chart topper. It's a healthy sign for Country music that new talent can make it big, so check out the new guard's progress this week on American Country Countdown.

3. DYNAMIC DUO, COUNTRY CAJUN AND VIRGINIA GENTLEMAN DEBUT :31

Hi, I'm Bob Kingsley and last week on A.C.C. the three songs debuting into our top forty race toward #1 were by a Dynamic Duo, a Country Cajun, and a Virginia Gentleman. The Duo is the Judds ... the Country Cajun is Jo-el Sonnier, and the Virginian is Ricky Van Shelton. Their songs are strong new contenders that should be back in the thick of the action when once again we start at #40 and countdown the biggest hits in Country music all the way to that #1 song this week on American Country Countdown.

4. LISTEN ALL WEEK CATCH UP ON HOTTEST HITS ON THE WEEKEND :29

Hi, this is Bob Kingsley and if you're a loyal listener to Country music all week long ... and wonder how your favorite singers and songs are doing around the U.S.A. ... then catching American Country Countdown is the thing to do when the week comes to an end. That's because we've taken Billboard Magazine's statistics of radio airplay Nationwide and then we count down the forty biggest hits of the week. If your favorite song is among them, you'll find out where it ranks in the world of Country music this week on American Country Countdown.
