DECADE PROMO

I'm Bob Kingsley inviting you to tune in for an historical American Country Countdown Special ... one that we do only once every ten years. It's our end-of-the-decade survey of the forty biggest hits of the 1980's ... and what a decade it's been. We'll have the biggest hits of the past ten years by singers such as Kenny, Dolly, and Willie who rose to become American musical icons during the '80's ... plus the super songs from performers like Alabama, George Strait, The Judds and Randy Travis, who sang their way to superstar status during the past ten, hit-filled years. It's an all #1, mega-hit review of the biggest songs of the 1980's as we count 'em down to the one monster hit of the decade!

ALSO ON SIDE 4A, YOU'LL FIND A SPECIAL PRODUCED PROMO FOR OUR DECADE SPECIAL
