1. WHITLEY'S FIFTH TRIP TO TOP :29

This is Bob Kingsley and last week the number one song in the Nation provided more proof that Keith Whitley will continue as a force in Country music. As Keith scored his 5th number one hit with "It Ain't Nothin'". But, the big question is, who'll be number one this week? That's because Billboard Magazine has entirely revamped their system for measuring National radio airplay which promises plenty of dramatic surprises in the make-up of the top 40. Find out how it all comes out this week on American Country Countdown.

2. BEST GETS EVEN BETTER :30

Hi, this is Bob Kingsley with American Country Countdown. And you know, the way the best stay on top is to make sure they always get better. So, recently Billboard Magazine fine-tuned their method of measuring radio airplay of Country music's biggest hits. That means this week's survey promises plenty of surprises ranging from great songs that could re-enter the forty to a surprise #1. Find out how the new and improved Billboard Country Chart affects your favorite singers and songs this week on American Country Countdown.

3. CLINT BLACK THE ARTIST TO WATCH :29

I'm Bob Kingsley and this week on American Country Countdown the song to watch is "Nobody's Home", the third chart hit for Clint Black. Last week it moved up to become Clint's 3rd top ten hit as well and if it follows the path of his first two records "Nobody's Home" will also find a home at #1. Check out the progress of Clint's current hit and follow the chart activity of all your favorite singers and songs as we begin at #40 and roll the count all the way to #1 this week on American Country Countdown.

4. TWO THINGS YOU CAN BET ON WITH A.C.C. :30

Hi, this is Bob Kingsley and you can bet that two things will happen when you tune in American Country Countdown this week. First you'll find out more about your favorite singers and songs than you knew before. And secondly you'll know exactly where the biggest hits of the week rank on the National Country Music scene. That's because we take the official rankings from Billboard Magazine, start counting at #40 and don't stop until we reveal the #1 song in the Nation. And, it's all coming your way this week right here on American Country Countdown.
