1. BLACK BACK FOR 3RD TOP SONG IN A ROW :25

Hi, I'm Bob Kingsley and last week Clint Black was back ... back in the top spot of our American Country Countdown survey ... to score his third consecutive #1 hit with "Nobody's Home". That's phenomenal success for this young Texan and he'll have a good shot at staying #1 again this week. Find out what happens at the top and follow the progress of all your favorite singers and songs this week on American Country Countdown.

2. FOUR HEAVY HITTERS TAKE AIM AT #1 :28

I'm Bob Kingsley and this week on American Country Countdown the #1 spot on the survey is up for grabs by at least four of Country Music's hottest acts. They include Clint Black, who is currently at #1, Tanya Tucker, Ricky Van Shelton, and Alabama. That's a lot of heavy hitters all swinging for the Billboard Chart equivalent of a home run. Find out who rises to the occasion as we count down the forty biggest hits of the week on American Country Countdown.

3. BILLBOARD SPENDS MILLIONS TO GET TO #1 :34

Hello, I'm Bob Kingsley with American Country Countdown ... and you know, to find out which Country song is the one most popular in the land, Billboard Magazine has spent millions of dollars on computers that monitor radio airplay throughout America. If your favorite Country song is being played more times by more Country stations than any other ... it'll take top honors as the #1 Country hit. And since we have the exclusive rights to report the Billboard survey, the only place to get the official countdown of the forty biggest Country hits in the Nation each week is right here on American Country Countdown.
