1. WILL BLACK BE BACK? :27

Hi, this is Bob Kingsley and this week on American Country Countdown the question is ... will Black be back? Will Clint Black, who's claimed the #1 spot for the last two weeks, cling to the pinnacle of popularity for a third week? Well, to do it Clint will have to fight off the hot hits in the top five by heavyweights like Tanya Tucker, Ricky Van Shelton and Alabama. Check out this action at the top and follow the rest of the field of Country music's forty biggest hits this week on American Country Countdown.

2. BILLBOARD IS LISTENING SO YOU'LL KNOW WHO'S HOT :32

I'm Bob Kingsley and if you want to know what the hottest songs in Country music are ... then listening to American Country Countdown is the thing to do this week. That's because Billboard Magazine has listening posts stretching coast to coast to find out which Country songs are the hottest Nationally. This way you'll find out if the Oak Ridge Boys and Kathy Mattea reach the top ten, whether Garth Brooks and Paul Overstreet debut new hits or whether it's Ricky Van Shelton or Clint Black who scores that #1 song ... find out this week on American Country Countdown.

3. LOVELESS UNCHAINS NEW HIT :26

This is Bob Kingsley and last week Patty Loveless unchained another big hit as her latest called "Chains" was the highest debut on American Country Countdown at #32. And, because of a big increase in National airplay, Billboard Magazine proclaimed it their power-pick of the week. Patty's song is on a roll ... but 39 other songs are scrambling for position as we count down the forty biggest hits of the week on American Country Countdown.
