1. CLINT TRIES FOR FOUR STRAIGHT WEEKS AT TOP :27  

I'm Bob Kingsley and this week on American Country Countdown the spotlight is on the #1 spot of our survey. Clint Black has occupied the pinnacle of popularity for three consecutive weeks and is hoping to make it four. But, songs by Ricky Van Shelton or Alabama could spoil Clint's party. Find out who comes away with the one most popular song in the U.S.A. ... plus check the progress of all your favorite stars this week on American Country Countdown.
2. POWER PICK GOES TO GARTH BROOKS :27  

Hi, this is Bob Kingsley and last week it was one of the debut songs into our survey that was dubbed Billboard Magazine's power pick of the week. "Not Counting You" by Garth Brooks was counted as the song earning the biggest increase in radio airplay Nationwide which brought it zooming into the forty at #32. What other songs have the power to move up in our survey of Country music's biggest hits? Well, you can find out this week on American Country Countdown.
3. PATTY LOVELESS BREAKS CHAINS OF GRAVITY :28  

I'm Bob Kingsley and this week the song to watch is the latest from Patty Loveless. Her tune called "Chains" jumped up a 12 notch leap in the forty up to #20. But there were other songs making major moves last week, including the latest from Eddy Raven, Ricky Skaggs and Reba McEntire. And that's just part of the exciting Billboard chart action coming your way every week as we count down the forty biggest Country songs to the number one hit in the U.S.A. on American Country Countdown.
