1. LUCKY NUMBER FOR TWO

:32

:32

:31

Hi, I'm Bob Kingsley and this week on American Country Countdown, 17 is the key number for two top acts. Last week Eddie Rabbitt scored his 17th number one hit overall with his tune called "On Second Thought". And, Eddie's hoping to keep #17 at the top again this week. That is if the Oak Ridge Boys don't move up a notch to rack up <u>their</u> 17th number one song instead with "No Matter How High". Of course, the matter is, how high will the hits of our favorite stars climb as we count 'em down to #1 again this week on American Country Countdown.

2. THREE TOP YOUNG FEMALE ACTS INVADE TOP TEN

I'm Bob Kingsley ... and last week on American Country Countdown the three songs that entered the coveted ground of the top ten were by three of Country music's biggest female acts. Moving up to the higher ranks were hits by Kathy Mattea, Kathy Baille and her boys and Patty Loveless. These ladies are three of the biggest acts in Country music, male or female ... and are all taking dead aim at the top spot this week. So find out how Kathy, Kathy and Patty are doing a we count 'em down. The forty biggest hits of the week on American Country Countdown.

3. TRAVIS TEARS UP CHART

Hi, I'm Bob Kingsley and currently on American Country Countdown, Randy Travis is screaming up the Billboard Chart with his latest hit. Two weeks ago Randy's song "Hard Rock Bottom Of Your Heart" made a lofty debut in the forty at #23. Last week it jumped another 10 notches to #13 and it looks top ten bound this week. Now, Randy's chart burner is just part of the action that will be heatin' things up when we begin at #40 and don't stop until we reach the #1 spot in the Nation this week on American Country Countdown.
