1. SECOND THOUGHT ... SECOND TIME :30

I'm Bob Kingsley ... and last week the song called "On Second Thought" was on it's second week at #1 for Eddie Rabbitt. That's the first time Eddie stayed at #1 for multiple weeks since 1978 when "Every Which Way But Loose" stayed on top for 3 weeks. Can Eddie equal his best effort at #1? Will the Oak Ridge Boys reach the heights with "No Matter How High"? Can Patty Loveless's "Chains" link up with top of the chart territory? You'll find out this week as we count down the forty biggest hits of the week on American Country Countdown.

2. ALL-STAR CAST OF DEBUTS INTO FORTY :29

Hi, I'm Bob Kingsley and last week it was an all-star cast of performers with debut songs into our American Country Countdown survey. Breaking new ground in the top forty were hits by Hank Williams Jr. and Ronnie Milsap ... plus the new duet by Kenny Rogers and Holly Dunn. They're sure bets to move higher among Country music's elite singers and songs as we begin the count of Billboard Magazine's forty biggest hits and don't stop until we reach the number one song on American Country Countdown.

3. SONG TO WATCH IS OKLAHOMA MANIA :33

I'm Bob Kingsley and this week on American Country Countdown the song to watch is one that should warm the cockles of every Oklahoman's heart. It's called "Oklahoma Swing" ... it was written by Oklahoma native son Vince Gill ... who asked Oklahoma native daughter Reba McEntire to sing with him. Well, while that ode to Oklahoma continues to swing up the Billboard chart, we'll swing into action again this week to find out where all your favorite singers and songs rank on the National music scene ... as we count down the forty biggest Country songs in the Nation on American Country Countdown.
