1. TRAVIS MAKES IT THREE IN A ROW AT #1 :32

Hi, I'm Bob Kingsley with American Country Countdown ... and the last time a song stayed at #1 on our survey for four weeks in a row, Carter was President. That's when "Mamma's Don't Let Your Babies Grow Up To Be Cowboys" kept Willie and Waylon on top for an entire month in 1978. But last week, Randy Travis's "Hard Rock Bottom Of Your Heart" put it's hooks in the top spot for the third consecutive week and could stay attached for another week. Find out if Randy can accomplish something in the '90's that hasn't happened since the '70's this week on American Country Countdown.

2. DEBUTS BY THE HALF DOZEN :27

I'm Bob kingsley and last week on American Country Countdown debut songs came by the half dozen into our survey of Country music's forty biggest hits. Bringing new tunes into the tally were Ricky Van Shelton, Doug Stone, the quartet of Willie, Waylon, Kris and Johnny ... plus Mac McAnally, Rodney Crowell and debuting highest was the latest from Clint Black. Now that is a talented list of tune smyths with terrific tunes to match ... all of whom could be back in the hunt this week on American Country Countdown.

3. BROOKS COUNTS ON THREE THINGS TO MOVE HIM TO #1 :28

Hi, this is Bob Kingsley with American Country Countdown ... and this week Garth Brooks is counting on two things happening for his tune called "Not Counting You" to move up to #1. First, Randy Travis's "Hard Rock Bottom Of Your Heart" will have to release it's three week long grip on the top spot ... then Garth's tune will have to gain enough steam to leap two notches to the top turf of our survey. Find out who's hailed as the chief ... and check in on all your favorite singers and songs this week on American Country Countdown.
