1. SEALS CHALLENGE FROM TWO HOT NEWCOMERS :28

Hi, I'm Bob Kingsley and this week on American Country Countdown Dan Seals will try to hang on to the top spot for a 4th week in a row. But, to do it, he'll have to stave off serious challenges from two of country music's hottest new stars ... Clint Black and Travis Tritt. Will Travis traverse two notches to cop his first trip to the top? Will Clint clinch his fourth #1, or will Dan dig in to seal up the pinnacle of popularity for yet another week? Well, find out this week on American Country Countdown.

2. ROBIN LEE SET TO SCORE FIRST TOP TEN :29

I'm Bob Kingsley and this week on American Country Countdown the song to watch is "Black Velvet" by Robin Lee. Last week that tune was the fastest rising song in the forty takin' a big 11 notch jump to #12. That puts Robin Lee in position to break her first top ten hit this week. So, check out how Robin is doing and follow the action of all your favorite singers and songs as we count down the forty biggest country hits in the U.S.A. this week on American Country Countdown.

3. ALABAMA PASSING IT ON UP :29

Hi, I'm Bob Kingsley and last week Alabama roared into the forty with one of the highest debut songs ever. The tune is their musical plea to protect the environment, and after being heard around the Nation on Earth Day, the song gained enough instant momentum to jump into our survey at a lofty #24. Alabama is obviously reaping the reward of a good, issue-oriented song ... and "Pass It On Down" should help them pass on up to even greater heights this week on American Country Countdown.
