1. **BROOKS BREAKS OUT ON TOP** :26

Hi, I'm Bob Kingsley and last week Garth Brooks boogied on up to the top of our survey to score his second #1 hit on American Country Countdown with "The Dance". That song had the clout to break George Strait's five week long grip on the top spot ... and "The Dance" could be high stepping again at #1 this week. Find out how Garth Brooks is doing ... and check up on all your favorite singers and songs as we start at number 40 and don't stop until we've counted down to #1 on American Country Countdown.

2. **EXILE'S BEST TURN IN THE FORTY IN NEARLY THREE YEARS** :29

I'm Bob Kingsley and this week on American Country Countdown the song to watch is "Nobody's Talking". Fact is, everybody's talking about this song becoming Exile's best effort on the Billboard chart since 1987 when they hit #1 with "I Can't Get Close Enough". "Nobody's Talking" was at #4 last week and could edge ever closer to the top. Follow Exile's progress and see what song rules the kingdom of country music at #1 this week on American Country Countdown.

3. **DEBUTS FEATURE FIRST TIMERS AND FIRST TIME DUET** :36

Hi, this is Bob Kingsley and last week the three debut songs were all first time top forty efforts. Newcomer Matraca Berg debuted her first single ever called "Baby Walk On". Canadian Michelle Wright debuted in the forty with her first U.S. single called "New Kind Of Love". And debuting highest was a duet called "Don't Go Out" ... which marks the first time Tanya Tucker and T. Graham Brown have combined soulful forces on a song. Now these first time situations should all have a second week in the forty as we count down the biggest country hits in the U.S.A. this week on American Country Countdown.
