1. EXILE EASES UP TOWARD FIRST #1 IN TWO AND A HALF YEARS :27

Hi, I'm Bob Kingsley and this week on American Country Countdown the group Exile could do something they haven't done in two and a half years ... hit the top spot in the Nation. Their current hit called "Nobody's Talking" eased up to #2 last week ... their best effort since hitting #1 in early '88 with "I Can't Get Close Enough". And finding out if Exile scores another #1 will be only part of the fun this week as we count down the forty hottest country hits in the Nation on American Country Countdown.

2. HIGHLIGHT REEL SHOWS BROOKS AT #1 FOR 3RD WEEK :28

I'm Bob Kingsley and last week's highlights in the Billboard country top forty included three debut songs, two from newcomers Mark Collie and Doug Stone along with the latest from the veteran Bellamy Brothers. Also, Vince Gill and Lorrie Morgan both made major moves to land their current hits in the top ten ... plus, Garth Brooks reigned supreme at #1 in the Nation for the third consecutive week with "The Dance". Find out who hits the highlight reel this week as we count 'em down to #1 on American Country Countdown.

3. SEALS LOOKING FOR "GOOD TIMES" AT #1 :30

Hi, I'm Bob Kingsley and this week the song to watch on American Country Countdown is the tune called "Good Times" by Dan Seals. That tune moved Dan into the top five within striking distance of becoming his 11th #1 hit on the Billboard country chart. Will the good times roll again for Dan ... will he seal up another #1 smash? Find out this week as we roll the count beginning at #40 and don't stop until we reveal the top song in the Nation on American Country Countdown.
