1. SHENANDOAH'S VERSION OF DEJA VU :33

I'm Bob Kingsley with American Country Countdown and last week the group Shenandoah demonstrated the definition of deja vu. You see, the week before they had the #1 song in the Nation with "Next To You, Next To Me". And last week they had that same #1 experience again with that song. Will Shenandoah give us, as Yogi Berra puts it, deja vu all over again this week? Find out as we start the survey at number forty and don't stop until we've revealed the Nation's one most popular country tune right here on American Country Countdown.

2. ROGERS AND PARTON PAIRED AGAIN :30

Hi, I'm Bob Kingsley with American Country Countdown and last week one of the debut songs into the survey was a duet called "Love Is Strange". Now, it's not strange at all that Kenny Rogers and Dolly Parton would want to sing a duet ... considering they combined forces on a #1 smash in '85 called "Real Love" ... and a monster #1 duet in '83 called "Islands In The Stream". Will "Love Is Strange" do for the duo what their other duets did? Follow their fortunes as we forge into the forty biggest country hits this week on American Country Countdown.

3. THREE '89 BORN STARS CLOSING IN ON #1 :27

I'm Bob Kingsley and last week on American Country Countdown we had a convergence of three brand new stars near the top of the Billboard chart. The recording careers of Alan Jackson, Clint Black and Travis Tritt all began just last year ... and all three of them have their current hits in the top five within striking distance of the top spot. Will one of this new breed take the lead at #1? Find out ... as you check out all your favorite singers and songs this week on American Country Countdown.
