1. "JUKEBOX IN MY MIND" PUT #1 ON ALABAMA'S BRAIN :28

Hi, I'm Bob Kingsley and currently on American Country Countdown the song called "Jukebox In My Mind" has burned #1 into the minds of the group Alabama. #1 dominated their thoughts two weeks ago when "Jukebox" became the group's 28th top song ... they were thinking #1 last week when the song repeated at the heights ... and this week Alabama's hoping the Billboard #1 will be back on their minds again. See if Alabama can go from a repeat ... to a three-peat when the chart action begins this week on American Country Countdown.

2. RVS'S CURRENT SINGLE NOT HIS CHOICE :24

I'm Bob Kingsley with American Country Countdown ... and according to Ricky Van Shelton his current hit was not his favorite choice to be released as a single ... but, now he says he didn't mean a word he said since his song "I Meant Every Word He Said" now sits at #2 in the Nation with a good shot at the top! For Ricky, eating his words'll be fun ... if his tune takes #1 ... as we count 'em down this week on American Country Countdown.

3. TRAVIS AND JONES TWO OLE COUNTRY BOYS :29

Hi, I'm Bob Kingsley and last week on American Country Countdown the debut song called "A Few Ole Country Boys" put two of country music's most popular country boys on the survey. It's the result of Randy Travis recording a duet album with some of his favorite singers ... and the leadoff single is by an artist who's been one of his idols throughout his life ... George Jones. This double dose of two of America's all time favorite country singers should be among the chart climbers you'll want to check out this week on American Country Countdown.
