

# AMERICAN COUNTRY COUNTDOWN

WITH BOB KINGSLEY

**TO: ALL PROGRAM DIRECTORS AND BOARD OPERATORS**  
**FR: BOB KINGSLEY AND ELAINE KLEIN, DISTRIBUTION MANAGER**  
**RE: NEW Q-SHEETS!**

Since we're now offering **American Country Countdown** on Compact Disc, we thought it was also time to revamp our Q-sheets.

At the lower left hand corner of each segment we're recording the individual segment times **including network spot time**. That leaves **one minute for local spots**. Then on with the next segment!

We think this new format will help alleviate any problems you may have had in running the show -- on CD or Vinyl.

And while we're on the subject, have you considered switching to CD? All you have to do is call Barbara Silber at 212-887-5646 or Elaine Klein at 800-423-2502 (outside California) or 818-980-9490. It's as easy as that.

To complement ACC, we offer **America's MusicMakers**. This very successful 2 minute daily program highlights the hottest acts in country music today. Just call Barbara Silber at 212-887-5646 to sign on.

And it's still not too late to receive our Country Music Month special, **Ronnie Milsap - The Man, The Music and The Magic**. Again, just give Barbara Silber a call. What better way to celebrate than with **Ronnie's** magical music?

If you have any questions, just give Elaine Klein a call.

1. 1,2,3 ... 1,2,3 AGAIN :30

Hi, I'm Bob Kingsley and the songs that held the top three spots in the Nation two weeks ago ... were 1-2-3 again last week on American Country Countdown. "Jukebox In My Mind" by Alabama, "I Meant Every Word He Said" by Ricky Van Shelton and "Friends In Low Places" by Garth Brooks were all locked in a battle for the highest chart position. Now, Alabama's held #1 for the last three weeks. Find out if the boys from 'Bama can make it four in a row ... or if somebody else will be the star of the show this week on American Country Countdown.

2. GREENWOOD ENJOYING BIGGEST HIT IN A WHILE :28

I'm Bob Kingsley with American Country Countdown ... and if our survey was a poker game ... Lee would be holding the best hand he's had in over two and a half years. That's because Lee's song called "Holding A Good Hand" moved up to #4 last week, giving him his first top five hit since 1988. Will Lee move on up toward the jackpot at #1? Find out as we deal out all your favorite singers and songs in search of the high roller of the chart this week on American Country Countdown.

3. GEORGE STRAIT TO HIS 28TH TOP TEN :32

Hi, I'm Bob Kingsley and this week on American Country Countdown the song to watch is George Strait's tune "Drinking Champagne" ... which moved up to become George's 28th top ten hit. What's interesting is that George has hit the top ten with every record he's ever released since 1981 with the exception of one. Now what's made George a superstar is that 19 of his songs have gone the distance to #1. Find out if "Drinking Champagne" continues to gain on the top spot as we check out who's who and what's hot this week on American Country Countdown.
