Hi, I'm Bob Kingsley and you know when radio stations around the U.S.A. play your favorite records, somebody besides the fans is listening to see which songs are played the most ... Billboard Magazine ... and when they've calculated the most popular records in country music we bring you the official countdown of the forty top songs in America ... Including the debuts, the top ten breakers and the song that breaks out on top at #1. Check it out this week on American Country Countdown.
