1. AT #1 WHEN ALL WAS SAID AND "DUNN"

:32

Hi, I'm Bob Kingsley and last week on American Country Countdown when all was said and done ... it was Dunn at #1. Holly Dunn, that is, who really had something going when she bounded three notches to the top with "You Really Had Me Going". Now, that's Holly's second #1 hit and she's hoping to hang her hat at the popularity peak for a second week. But to do it, she'll have to fight off strong contenders like Don Williams and K.T. Oslin. Find out what happens from the bottom to the top as we count 'em down this week on American Country Countdown.

2. HEAVIES FROM TWO GENERATIONS GENERATE NEW HEAT IN TOP 10

:32

I'm Bob Kingsley and last week on American Country Countdown heavy weights of two generations generated a lot of heat in the top ten by moving their hits into the upper chart reaches. Two of country music's hottest new contenders levitated to the higher ranks as the hits by Clint Black and Alan Jackson moved on up. And taking a giant nine notch jump to the top five was the current hit from long-time star Conway Twitty. And, they are but three of the 40 top country acts whose hot hits are headed your way this week on American Country Countdown.

3. COME NEXT MONDAY NEXT OSLIN #1?

:34

Hi, I'm Bob Kingsley and the question K.T. Oslin is asking this week is will "Come Next Monday" be her fourth #1 song? That's a fair question since K.T.'s hit took a big seven notch jump from #11 to #4 last week definitely within striking distance of the top turf. Will K.T. Oslin have the momentum to grab some glory? Will Don Williams will his song to the top? Or is Holly Dunn not yet done with #1? The answers to that and much more await you as you check out all the Billboard chart action this week on American Country Countdown.
