Hi, this is Bob Kingsley and if you're a loyal listener to country music all week long and wonder how your favorite singers and songs are doing around the U.S.A., then catching American Country Countdown is the thing to do when the week comes to an end. That's because we've taken Billboard magazine's statistics of radio airplay Nationwide and then count down the forty biggest hits of the week. If your favorite song is among them you'll find out where it ranks in the world of country music, this week on American Country Countdown!

**2. A.C.C. AWAKE SO YOU CAN SLEEP :30**

I'm Bob Kingsley and you can sleep tonight because your American Country Countdown staff is watching the progress of all your favorite songs this week as Billboard magazine surveys radio station airplay all across the Nation. When the results are in, we take the official ranking, add stories and statistics about your favorite singers and songs and then we count down the forty hottest country records in America all the way to #1. You're invited front center this week on American Country Countdown.

**3. SPECIAL TOPICAL FOR NEW YEAR :27**

Hi, I'm Bob Kingsley and last week on American Country Countdown we revealed that the #1 song of the whole year for 1990 was Clint Black's "Nobody's Home". Well, the new year has begun and we've begun anew our regular vigil to seek out the #1 song each week. Now, to find out who has the most listened to hits in America this week and who'll have the first #1 of 1991 ... join us right here for American Country Countdown.
