1. "HOME" SETTIN' UP HOUSE AT #1 :30

Hi, I'm Bob Kingsley and two weeks ago on A.C.C. a song called "Down Home" rang the bell at #1, but "Down Home" looks like it's settin' up house at the top since Alabama's hit stayed at #1 again last week. Will country's popularity pinnacle be home for Alabama this week? Or will the Dolly Parton-Ricky Van Shelton duet or Billy Dean turn "Down Home" into a mobile home and move it off the top turf. That answer, along with the chart position of all your favorite songs is waiting this week on American Country Countdown! (LOCAL TAG)

2. "ROCKIN' YEARS" SET TO ROCK AT #1 :29

I'm Bob Kingsley and judging by last weeks survey on A.C.C., Dolly Parton and Ricky Van Shelton are gonna want to combine forces again sometime. That's because their first duet collaboration called, "Rockin' Years" rocketed from #9 to #2 in the nation. Now, that kind of momentum gives them a jump on #1 this week. All they have to do is evict Alabama's "Down Home" from it's two week lease on the top ... so tune in and check out all the billboard top forty action this week on American Country Countdown from the bottom to the top! (LOCAL TAG)

3. DEBUTS REFLECT THE FUTURE :35

Hi, I'm Bob Kingsley and when you looked at the three debut songs into our A.C.C. top forty last week, you may just've caught a glimpse of three of country music's biggest acts of the future. That's because the songs were by one of the hottest up and coming bands, a rising female act and one of the hottest new guys around. The new band is Pirates Of The Mississippi, the gal is Carlene Carter and the guy is Mike Reid. They're not only adding spice to our survey but tasty new flavor to today's country music as well. Check out their progress and follow the fortunes of all your favorite singers and songs this week on American Country Countdown! (LOCAL TAG)
