1. "IF I KNOW ME" JUMPS TO ONE FROM #3 :30

Hi, I'm Bob Kingsley and last week on A.C.C. the song that jumped to #1 from #3 ... was George Strait's "If I Know Me". That's George's 21st chart topping song ... and if we know George ... his tune could know the #1 spot again this week. But, then hits by Ronnie Milsap and Doug Stone are applying the pressure just below ... so nobody really knows for sure who'll take the #1 tour this week when we start at #40 and count 'em all down to the top song in the nation on American Country Countdown. (LOCAL TAG)

2. DIAMOND RIO NO LONGER DIAMOND IN THE ROUGH :31

I'm Bob Kingsley and the song to watch on A.C.C. this week is called "Meet In The Middle" by the new band, Diamond Rio. This previously unknown band of Nashvillians has gone from Diamond in the rough to a jewel in the crown by taking their first chart song all the way into our top ten up to #8 last week. Will Diamond Rio sparkle even brighter this week ... and what about the progress of all your favorite singers and songs? The answer to those questions and who'll be at #1 are waiting for you right here this week on American Country Countdown. (LOCAL TAG)

3. TRAVIS ONLY 'POINT OF LIGHT' AMONG DEBUTS :30

Hi, I'm Bob Kingsley and on last week's survey the competition was so tight there was only one new entry into the forty. It was the one debut song called "Point Of Light" by Randy Travis ... and it's such a hot song for Randy it'll likely be shining like a beacon from a much higher spot in the survey this week. Of course we'll shed some light on that song's progress and illuminate the whole country scene with stories about your favorite singers ... and we'll countdown the hottest songs in country music this week on American Country Countdown.
