Hi, I'm Bob Kingsley and let me give it to you Strait ... George Strait that is ... as he's been holding down the #1 spot on A.C.C. for two weeks so far with his song "If I Know Me". Well, if we know the Billboard country chart, anything can happen at the top this week with George being challenged by highstanding hits from Doug Stone, Ronnie Milsap and an explosive new band called Diamond Rio. Check out who comes along to take top song ... and scope out the rest of the top forty action this week on American Country Countdown. (LOCAL TAG)

2. **HALF THE FUN IS GETTING THERE** :25

I'm Bob Kingsley with American Country Countdown ... and if the saying is true that half the fun is getting there, then forty of your favorite country stars have a big time every week as their latest hits jockey for position, trying to get there, to the top of our survey! So join in on all the fun and see which of your favorites has a "peak experience" ... hitting the #1 peak on the Billboard chart, this week, on American Country Countdown. (LOCAL TAG)

3. **BROOKS DEBUTS WITH THUNDERCLAP** :35

Hello, I'm Bob Kingsley and last week a song roared onto our survey so fast you could almost hear a thunderclap. It was "The Thunder Rolls" by Garth Brooks ... and it became one of the highest debuting country songs in modern history when it entered the entire Billboard country chart all the way up at #19. Now with that much momentum in it's first week, there's no tellin' how much farther up the survey "The Thunder Rolls" 'll roll this week. So check up on Garth's big one ... and the other 39 biggest and best in country music, right here, on American Country Countdown. (LOCAL TAG)
