TOPICAL PROMOS

**TOPICAL PROMOS FOR SHOW #24 IS LOCATED ON CD SIDE 4. TRACK 7, 8 AND 9
DO NOT USE AFTER SHOW #24**

1. **"MEET IN THE MIDDLE" MEETS UP WITH TOP SPOT AGAIN** :31

Hi, I'm Bob Kingsley with American Country Countdown and last week the newcomer band called Diamond Rio found out that the only thing better than scoring a #1 hit with your first chart record ... is to have that record stay at #1 for a second week. And of course, the only thing better than that would be to have Diamond Rio's jewel of a song called, "Meet In The Middle" meet up with the top spot again. Find out if they can make it three weeks in a row ... or if tunes by Joe Diffie or Garth Brooks take the top spot in tow ... this week on American Country Countdown. (LOCAL TAG)

2. **TOP FIVE PROVES THERE'S AN EXPLOSION OF NEW HIT ACTS** :32

I'm Bob Kingsley ... and this week on American Country Countdown rising star Joe Diffie has what you could call a difficult task. He's currently at #2 in the nation with "If The Devil Danced (In Empty Pockets)" ... but if he's going to two-step his way on in to #1, he'll have to break Diamond Rio's two week lease on the top spot. Joe will have to fight off the thundering hit from Garth Brooks that's rolling in just behind him. Find out if Joe Diffie hits the heights or if a different name takes the highest place of weekly fame on American Country Countdown. (LOCAL TAG)

3. **FIVE DEBUTS GOOD CROSS SECTION OF TODAY'S COUNTRY MUSIC** :30

Hi, I'm Bob Kingsley and last week the five debut songs into American Country Countdown showed a good cross section of who's happening in today's country music. Two of the new entries were by newcomers, Aaron Tippin and Rob Crosby ... one was by rising star Travis Tritt ... and two more were by longtime heavy hitting stars, Don Williams and Reba McEntire. They are five of the most happening stars in country music whose hits should still be happening this week when we begin at #40 and count 'em down to the #1 song on American Country Countdown. (LOCAL TAG)

**** FOR YOUR CONVENIENCE, WE HAVE PLACED A 25 HZ TONE AT -10 DB AT THE
END OF OUR NETWORK COMMERCIAL BREAKS TO ACCOMMODATE AUTOMATED
