DO NOT USE AFTER SHOW #31

"SUPERSTAR SPOTLIGHT ON REBA" DEMO
IMMEDIATELY FOLLOWS TOPICALS AT END OF DISC 4

1. **"SIMPLE MAN" ACCOMPLISHES NOT-SO-SIMPLE TASK** :34

Hi, I'm Bob Kingsley and last week on American Country Countdown a self-described simple man, took a simple song and accomplished the not-so-simple task of hitting #1 in the nation. The man is Ricky Van Shelton, the song "I Am A Simple Man" and it became Ricky's 9th chart topper. Now, it is no simple task to hang on to #1 and Ricky will have to fight off Billy Dean and Trisha Yearwood, a couple of hungry newcomers fighting for their first #1 song. So find out what happens as the top forty count rolls again this week on American Country Countdown. (LOCAL TAG)

2. **TWO NEWCOMERS CLOSE TO MILESTONES** :36

Hello, I'm Bob Kingsley with American Country Countdown and this week there could well be a newcomer sitting at the top of our survey. Billy Dean's second chart record, "Somewhere In My Broken Heart" is close enough to do it and right behind that is "She's In Love With The Boy" by Trisha Yearwood, her very first chart song ever. In fact, if Trisha hits the top spot, she'll become the first female solo artist in 16 years to hit number one on the Billboard chart with her first chart record. Of course the drama at the top is just part of the weekly parade of stories and all hit music that passes before your ears each week on American Country Countdown! (LOCAL TAG)

3. **LISTEN ALL WEEK CATCH UP ON HOTTEST HITS ON THE WEEKEND** :28

Hi, I'm Bob Kingsley and if you're a loyal listener to country music all week long and wonder how your favorite singers and songs are doing around the U.S.A. ..., then, catching American Country Countdown is the thing to do when the week comes to an end. That's because we've taken Billboard Magazine's statistics of radio airplay nationwide and then we count down the forty biggest hits of the week. If your favorite song's among them you'll find out where it ranks in the world of country music this week on American Country Countdown. (LOCAL TAG)

**** FOR YOUR CONVENIENCE, WE HAVE PLACED A 25 HZ TONE AT -10 DB AT THE END OF OUR NETWORK COMMERCIAL BREAKS TO ACCOMMODATE AUTOMATED AND SEMI-AUTOMATED STATIONS ****
