1. TOP TEN GOOD OMEN FOR NEWCOMERS :26

I'm Bob Kingsley with American Country Countdown and last week, any would-be recording artist could look on the top ten of our survey as a very good omen. That's because newcomer, Hal Ketchum, entered the top ten with his very first chart record and newcomer Trisha Yearwood's first chart song held on to #1 for a second week. So follow the fortunes of these newly risen stars and check up on the rest of our weekly cast of country music's forty best this week on American Country Countdown. (LOCAL TAG)

2. YEARWOOD FEELS THE FEELING AGAIN :31

Hi, I'm Bob Kingsley and last week newcomer Trisha Yearwood discovered about the only thing better than scoring a #1 hit with her very first chart song, was to have that song stay at the top for a second week. Will her hit "She's In Love With The Boy" be the hit again for a 3rd week? Well it's possible, but hits by Alabama and George Strait are closing fast and that could signal a changing of the guard at #1. Find out when we begin at #40 and count 'em down to the one most popular song of the week on American Country Countdown. (LOCAL TAG)

3. A.C.C. WATCHING FOR YOU :29

I'm Bob Kingsley and you can rest assured your American Country Countdown staff is watching the progress of all of your favorite songs this week as Billboard Magazine surveys radio station airplay all across the nation. Now when the results are in, we take the official ranking, add stories and statistics about your favorite singers and songs, then we count down the forty hottest country records in America all the way to that #1 tune. You're invited front and center this week on American Country Countdown. (LOCAL TAG)
