1. **STRAIT TO SEE IF HE'S GOOD FOR THREE** :28

Hi, I'm Bob Kingsley with American Country Countdown and ya know when a song stops climbing our survey it can be a bad sign, unless of course the place the tune stopped was at number one. That's why George Strait isn't worried at all that his latest called "You Know Me Better Than That" has held firm for the last two weeks ... thanks to a firm hold on the top spot. Will George stay "happily" stalled at #1 or will somebody else enjoy some chart pinnacle fun this week. Find out on American Country Countdown. (LOCAL TAG)

2. **TIME TO PAY ATTENTION TO HAL KETCHUM** :28

I'm Bob Kingsley with American Country Countdown and if you haven't paid much attention to a newcomer named Hal Ketchum, now's the time to check him out. You see Hal has taken his very first chart record all the way to #3 in the nation, within striking distance of #1. Hal's hoping his hit "Small Town Saturday Night" has a big time visit with the top of the chart. Check him out and check up on the fortunes of all your favorite singers and songs this week on American Country Countdown. (LOCAL TAG)

3. **BROOKS BOUNDING UP CHART** :30

Hi, I'm Bob Kingsley and last week the latest hit by Garth Brooks didn't just climb, jump, bound or soar up the survey ... it quantum leaped it's way 20 notches from #37 to #17. Garth has obviously lassoed a wild one called "Rodeo", whose momentum could land it in the top ten this week, just it's 3rd week on the Billboard chart. Follow that race horse and see how your other favorites are running as we count 'em to the #1 song in the U.S.A. on American Country Countdown! (LOCAL TAG)
