1. BLACK BACK ON TOP :28

Hi, I'm Bob Kingsley and last week on ACC for Clint Black the answer to his music question "Where Are You Now" was "Hey, I'm at #1!" That song became Clint's 6th topper and he'll be trying to hang on to the high ground this week. But the action at the top is just part of the picture of today's country music that we paint with stories and chart statistics each week as we begin at #40 and count 'em down to the #1 country hit in the Nation on American Country Countdown. (LOCAL TAG)

2. IT'S TRISHA YEARWOOD. COMING AND GOING :28

I'm Bob Kingsley and last week Trisha Yearwood fanned the flames of her red hot career. Her first #1 hit called "She's In Love With The Boy" was still in the survey at #24 ... while her newest release called "Like We Never Had A Broken Heart" broke into the survey at #34 as a fast rising debut. Now, Trisha's likely to meet herself coming and going again this week as we come your way and go through the numbers that will rank the forty hottest hits in the USA on American Country Countdown.
