1. **LISTEN ALL WEEK CATCH UP ON HOTTEST HITS ON THE WEEKEND** :28

Hi, this is Bob Kingsley and if you're a loyal listener to country music all week long and wonder how your favorite singers and songs are doing around the U.S.A., then catching American Country Countdown is the thing to do when the week comes to an end. That's because we've taken Billboard Magazine's statistics of radio airplay nationwide and then count down the forty biggest hits of the week. If your favorite song is among them you'll find out where it ranks in the world of country music this week on American Country Countdown. (LOCAL TAG)

2. **STARS INTERESTED IN SURVEY** :33

Hi, I'm Bob Kingsley and you know, when we count down the hits each week on ACC, the stars that sing them have more than just a passing interest in how their songs are doing. For instance, high chart positions can mean more record sales and better bucks on the concert trail, new singers can make it or break it on how their first releases are doing, while some veterans fear that low scoring songs might show their career has slowed down and so on. So, there is a lot more riding on the numbers than you might think as we start at #40 and count 'em down to that #1 song on American Country Countdown. (LOCAL TAG)
