1. COLLIN RAYE "LOVE ME" '92 :30

Hi, I'm Bob Kingsley with American Country Countdown and the song called "Love, Me" is giving newcomer, Collin Raye, reason to love 1992. You see the first weekend of the year "Love, Me" hit #1 and last week the song kept Collin at the top for the second weekend of '92. It's already the best year of his career and the only thing that could make it better would be to stay on top again this week. You'll find out because the top is where we stop when we count the 40 biggest hits of the week on American Country Countdown! (LOCAL TAG)

2. VINTAGE YEAR FOR NEW STARS :32

I'm Bob Kingsley and you know a 'Vintage' year is when the new crop is particularly good and hearty. So, you could call 1991 a 'Vintage' year for new country stars. You see there are no less than nine acts currently climbing the Billboard top forty who scored their first chart hits in '91. In fact five newcomers are in the top ten including Collin Raye who's at #1. Of course, the true test of a vintage crop is will it age well? So, check in on their progress and all your other favorites this week on American Country Countdown! (LOCAL TAG)

3. LADIES HAVE ALL THE DEBUTS :26

Hi, I'm Bob Kingsley with American Country Countdown and while country music may be dominated by more male artists, the three debut songs into our survey last week were by female acts. Lorrie Morgan brought in "Except For Monday". Paulette Carlson debuted with "I'll Start With You" the first release of her new solo career and "That's What I Like About You" came in for Trisha Yearwood. Follow this feminine wave and check out all the chart action this week on American Country Countdown! (LOCAL TAG)
