1. CYRUS SEX ... AS IN SEXTET OF WEEKS AT #1? :26

Hi, I'm Bob Kingsley and this week on ACC Billy Ray Cyrus could show us some sex, a sextet of weeks at number one, that is. Billy Ray stayed for a fifth week at the top last week and could hang in there for six, that is if songs by Diamond Rio, Shenandoah or Wynonna don't finally deep six him from the #1 spot. Find out what happens as we count down the biggest hits in the nation this week on American Country Countdown! (LOCAL TAG)

2. ANDERSON COMEBACK? YEA, HE'S BACK :25

I'm Bob Kingsley with American Country Countdown and a couple of months back John Anderson made a spectacular comeback with a #1 hit called, "Straight Tequila Night". Well his follow up to that is proving that John is indeed back. The tune called, "When It Comes To You", rolled into the top ten moving John closer to the top again. Check on his progress and the fortunes of all your favorite singers and songs this week on American Country Countdown! (LOCAL TAG)

3. BLACK IS BACK :16

I'm Bob Kingsley and if you've wondered where Clint Black has been, just check out American Country Countdown. Last week he debuted in the forty with one of his strongest songs yet called, "We Tell Ourselves" and we'll tell you where it ranks this week on American Country Countdown. (LOCAL TAG)
