1. BROOKS & DUNN #1 :29

Hi, I'm Bob Kingsley with American Country Countdown and there's an act that changed the mathematical law that says $1 + 1 = 2$. In their case it's $1 + 1 = 1$. You see everytime one singer named Kix Brooks sang with one singer named Ronnie Dunn on one of their four singles it's equaled 1, a number one hit that is, on the Billboard chart. Last week Brooks & Dunn made it four top hits in a row and hope they're the top hands again this week on American Country Countdown. (LOCAL TAG)

2. ACTS CLOSE IN ON #1 :27

I'm Bob Kingsley with American Country Countdown and the acts to watch for this week are in the top five. You have Alabama closing in on their 31st #1 hit, followed closely by Billy Dean and Mary-Chapin Carpenter, each of whom is hot on the trail of their very first chart toppers. Check out who continues to thrive in the top five and follow throughout the forty the progress of all your other favorite tune makers and tunes this week on American Country Countdown! (LOCAL TAG)

3. LEDOUX'S HELP FROM A FRIEND :14

I'm Bob Kingsley and last week the duet from Chris LeDoux and Garth Brooks asks the musical question "Whatcha Gonna Do With A Cowboy"? This week we'll answer where that song ranks on the national music scene, right here on American Country Countdown! (LOCAL TAG)
