1. **CHESNUTT NO LONGER "THINKING" OF #1 ... HE'S GOT IT!** :24

Hi, I'm Bob Kingsley with American Country Countdown and thanks to his song "I'll Think Of Something", Mark Chesnutt no longer has to think about scoring his second #1 hit. That song jumped up two to take top honors last week and Mark would like to mark time at #1 again this week. See if he has a longer stay or if someone else gets to be top dog when the forty hottest hits of the week are revealed on American Country Countdown. (LOCAL TAG)

2. **ENRICHED TOP TEN** :32

I'm Bob Kingsley with American Country Countdown and last week like an infusion of enriched Uranium, three of country music's most radioactive stars debuted hits into the top ten heating up the pinnacle of our survey that's already close to melt down status. Joining already super heated acts like Chesnutt, Black and Brooks & Dunn were Aaron Tippin, Steve Wariner and Billy Ray Cyrus. Of course, they're just at the tip of our survey of forty stellar hits by the steam producing stars that we'll count down to #1 this week on American Country Countdown. (LOCAL TAG)

3. **CYRUS CONTINUES HOT STREAK** :19

Hi, I'm Bob Kingsley and you know the Billy Ray Cyrus hot streak continues. His album remains at number one in the nation, plus his second chart single, "Could've Been Me" moved up to become his second top ten country hit. Follow the Cyrus phenomenon and all the phenomenal action this week on American Country Countdown. (LOCAL TAG)
