June, 1993

Dear Program Director:

In this weekend's show, we will be debuting a new feature within ACC. It's called "The ACC Album Preview," and we'll be presenting this special segment from time to time on the weekend before a hot new country album is about to hit the stores.

We'll feature some comments by the artist(s), and then a brief, scoped version of the entire album.

This weekend, we'll be premiering the new **Billy Ray Cyrus** album, "*It Won't Be The Last.*" The album is scheduled to hit the stores on **Tuesday, June 22, 1993.**

You'll find this new feature on Disc 2, Track 2.

You'll also find a Promo for this feature, voiced by **Bob Kingsley**, at the end of Disc 4, along with your regular weekly Promos.

Please don't hesitate to call me with your comments and thoughts about this new segment. Remember: it will not occur on a weekly basis - only from time to time whenever a major new country album is about to be released.

Warmest regards,

Barbara Silber
Manager, Country Program Sales
attch.

Please audition each disc immediately. If you have any questions, please contact us at (213) 882-8330.
