1. **JACKSON MILESTONE** :29

Hi, I'm Bob Kingsley with American Country Countdown, where a bit of country music history is made each week. For instance, last week Alan Jackson reached a milestone of his career when he scored his 10th #1 hit with "Gone Country." Also, Pam Tillis is at number two... poised to score a milestone of her own... her first number one song. So check in with us this weekend and witness how the chart histories of all your favorite singers and songs change when we present the forty biggest country songs in the U.S.A. on American Country Countdown! [LOCAL TAG]

2. **A TILLIS TO THE TOP** :24

I'm Bob Kingsley and the last time the name "Tillis" appeared at the top of American Country Countdown was back in 1981. It was Me! Tillis hitting the top with "Southern Rains." Well, this week daughter Pam could put the Tillis name back in the #1 business with "Mi Vida Loca." It'd be Pam's first... so see how she's doing as we take you from #40 to the top of this week on American Country Countdown! [LOCAL TAG]

3. **DOUG STONE 15 IN-A-ROW** :23

Hi, I'm Bob Kingsley and last week Doug Stone showed that he is a true captain of consistency. You see, since 1990, Doug has released 15 singles. And, every single one of them has gone top ten... including "Little Houses" which made it last week. Quite an achievement. But then Doug is just one of the forty chart achievers you'll want to check up on this weekend on American Country Countdown! [LOCAL TAG]
